

E-Track Admission Policies

Business Economics (BE) and Digital Business and Innovation (DBI) Majors

The School of Economics expects all students to uphold the university's founding spirit and educational philosophy, agree with the terms of the education policy, and aim to uphold the following qualities:

1. A positive approach towards academia and activities on campus.
2. Utilizing what was learned during one's high school years in order to form the basics necessary for studying at university.
3. A positive attitude towards utilizing basic, but broad, knowledge, as well as logical, analytical, and strategic thinking when going about one's activities in the globalized world.
4. An eagerness to develop ethical, logical and strategic thought processes and learn how to apply them to business settings.
