科目授業名 Course Title	Human Resources Management (SPRING)		
担当者 Instructor	石黒 久仁子		
開講期 Semester / Year	2017年度 春学期	曜日時限 Timetable	月曜3限 木曜3限
教室 Room	311教室	単位数 Credits	4.0
授業コード Class Code	B4160001E1	履修年次 Enrollment Year	2
科目ナンバリング Course Level	M-MNG403		
授業内容 Course Description	People are one of the most important resources in an organisation, and in business activities. But people are not just a "resource" for the success of your business. We all have our own character, personality, career goals, and life-style. How can we "manage" people effectively while respecting and supporting individual employees' career development processes? The course will provide theoretical underpinning for HRM as well as practical business cases. Through this course, students will acquire basic knowledge on HRM, which will be useful for their future careers, not only in business but in any form of organisation. Students are also encouraged to think about and analyse cases and issues concerning "people" in business, and to actively participate in discussion in the class.		
到達目標(授業の狙い)	The objective of this course is to provide students with fundamental concepts, practices and issues on human resource management in business and other types of organisation. Students
