

Credit Transfer for Newly Admitted First Year Students

Newly admitted first year students who previously attended colleges or universities elsewhere before TIU are eligible to apply for credit transfer from those institutions toward their degree at Tokyo International University (TIU).

If you wish to have your credits transferred, please carefully read the guidelines and instructions below and submit all necessary documents to the E-Track Academic Affairs Office by the deadline.

Please note that credit transfer does not apply to all students: if you have not previously studied at another university, or do not wish to transfer any credits, you do not need to apply for credit transfer.

General Guidelines

- Credits obtained from another university may be transferred toward your BA/BS degree at TIU.
- As a general rule, up to 10-12 credits deemed comparable to courses in the E-Track program may be transferred.
- Decisions on which credits and how many credits can be transferred are made on an individual basis by the School to which you belong at TIU.
- Transfer credits will not be calculated into the cumulative grade point average (GPA) at TIU.

Instructions

1. Required documents

Please submit all four documents below.

(A) Official stamped transcripts

Copies are not acceptable. Transcripts printed in languages other than English or Japanese should be translated into English and certified by the university you attended or an official agency such as an embassy or consulate.

(B) Grading Criteria

This should define the grades and explain their numerical values and equivalents. If it is written on your transcript, you do not need to submit it. If there is no such explanation, please show us whether your grade points are a pass or a fail.

(C) Course Descriptions

This should contain information on the content of each course. You may submit the course syllabus instead.

(D) Descriptions Stating “Definition of the Credit Hour”

This should contain information on the total class hours for each course. “Direct faculty instruction” and “out-of-class student work” can be included in these hours.

Note: As for (B), (C), and (D), descriptions written in languages other than English or Japanese should be translated into English.

Note:

- As for (B), (C) and (D), descriptions written in languages other than English or Japanese should be translated into English.
- As for (B), (C) and (D), please refer to “Examples of documents for credit transfer”

2. How to submit:

Please submit the application form (page 3) and your transcript (A above) to the below address by mail. The other documents (B, C & D above) may be either submitted by e-mail or mail.

Note:

- If the materials are written documents, please send us a copy of them. Transcripts must be originals.
- If the materials are on a website, please send us the site address. Alternatively, you can send us a copy of the web page with the relevant descriptions underlined or highlighted.
- If the materials are included in a comprehensive document, such as a Course Calendar, that covers all the university’s degree and program requirements, course descriptions, and rules and regulations, please show us where the descriptions concerned are, or send us a copy of the pages concerned.
