ENROLLMENT PROCEDURES

The International Exchange Office (IEO) at TIU will be your point of contact for the enrollment procedures. Whenever you communicate with TIU, please make sure to include your Application Number (refer to 'Screening Process' on page 13 for how to confirm your Application Number).

An enrollment packet, including an invoice for enrollment and other related fees, as well as a certificate of acceptance, will become available on the My TIU Page of successful applicants.

First, accepted applicants are required to confirm their admission offer by paying the enrollment fee and to submit all required visa documents by the designated deadlines. Subsequently, the tuition and facility fee for the 1st semester must be paid by the specified dates as well (see page 3). Failure in completing all required payments before the due date will cause your admission offer to be revoked.

Finally, other enrollment documents must be downloaded from the My TIU Page, completed, and submitted by their designated dates.

TIU will not refund the enrollment fee under any circumstances. In addition, as Certificates of Eligibility are issued by the Immigration Bureau of Japan, and visa are issued by the Japanese Embassy under their jurisdiction, TIU will not take any responsibility in the rare event that these documents are not granted.

VISA INFORMATION

International students who do not have a resident, diplomatic, dependent, or spousal visa must acquire a student visa to attend university in Japan. To obtain a student visa while residing outside of Japan, it is necessary to first apply for a Certificate of Eligibility (COE). TIU will submit the COE application documents to the Japanese Immigration Bureau on behalf of admitted students if all required documents are submitted to TIU by the designated deadlines and payment of the enrollment fee is confirmed by TIU.

- If you do not have a passport at the time of application, prepare one as soon as possible.
- Please do not purchase your flight ticket until you receive your COE.
- The visa procedure for accepted students will be processed by TIU's International Exchange Office (IEO).
- If you are a visa holder who already resides in Japan at the time of application and your visa expires before enrollment to TIU, you are required to visit the Immigration Bureau of Japan and extend your visa on your own. Applications are accepted three months prior to the date of expiration.
- For current student visa holders residing in Japan: Regardless of the date of expiration stated on your resident card, your student visa will expire upon course completion and leaving your current school. Make sure to confirm the procedure you need to follow with the Immigration Bureau. If you are asked to re-apply for a new student visa, please contact the International Exchange Office.
- Warning: If you stay in Japan illegally, you face a high risk of being arrested by authorities, which may result in deportation.
- **For those who have applied for a Certificate of Eligibility (COE) or a visa to enter Japan and have been rejected in the past, please inform TIU about this immediately.**

Student Visa (COE) Application Process

STEP 1: Receive an email from TIU's International Exchange Office (IEO) regarding the COE/visa procedure.

STEP 2: Submit all required documents to the IEO as a direct reply to the email message from IEO (step 1). Inaccurate information or discrepancies in the documents may result in the rejection your COE application.

STEP 3: TIU will apply for your COE. IEO will only proceed with your COE application once we have confirmed your enrollment fee payment. It usually takes about 4-10 weeks for the COE to be issued.

STEP 4: Receive your issued COE. Once your COE has been issued, we will send it to you via a traceable courier (DHL, FedEx etc)

STEP 5: Upon receiving your COE, take the COE to the Japanese Embassy/ Consulate that has jurisdiction over your domicile in order to apply for your visa.
