Other Scholarships

- **JASSO Monbukagakusho Honors Scholarship for Privately-Financed International Students Pre-arrival Admission**

One of the most commonly applied for scholarships by students enrolling at TIU is the "Monbukagakusho Honors Scholarship for Privately-Financed International Students Pre-arrival Admission (University Recommenders)" offered by the government affiliated Japan Student Services Organization (JASSO). TIU will provide information to admitted students on how to apply for this scholarship with TIU's recommendation.

For more details, please refer to the following website:

☞ https://www.jasso.go.jp/en/study_j/scholarships/shoureihi/tonichimaeyoyaku.html

- **Other Public / Private Scholarships Available after Enrollment (Japan)**

There are several other scholarships offered by public or private organizations in Japan. The Japan Student Services Organization (JASSO) provides a list of public and private scholarship programs for international students.

For more details, please refer to the following website:

☞ http://www.jasso.go.jp/study_j/scholarships_e.html

Applications for some of these scholarships are accepted by TIU after enrollment. Please note that each scholarship has its own requirements which must be met, such as language proficiency, nationality and/or visa type. The requirements may not be the same as TIU's own application requirements. Applicants who have been awarded with a scholarship are required to inform TIU and submit proof as soon as it becomes available.

- **Scholarships and Financial Aid Offered by Foreign Organizations**

Students may be eligible for scholarships or financial aid offered by public or private organizations in their current country of residence. Currently, TIU students can receive financial aid provided by their home country's organizations.

Students must apply for these scholarships or benefits on their own. If you are a recipient of any such scholarships, please submit a document to TIU to prove your entitlement as soon as it becomes available.

- **Scholarships Offered by the Ministry of Education, Culture, Sports, Science and Technology of Japan (MEXT Scholarship)**

TIU only accepts Embassy recommendation applicants, and do not accept university recommendation applicants. Applicants must apply directly to Japanese embassies or consular offices outside Japan, and pass the preliminary screening conducted by them.

Living Cost in Japan

- Scholarships can ease students' financial burden. However, financial support, either your own savings or a financial supporter's income, is still necessary to live and study in Japan. The 'Student Guide to Japan', published by JASSO, includes a section on "Expenses" which may help you understand more about the cost of living in Japan:

VISA INFORMATION

International students who do not have a resident, diplomatic, dependent, or spousal visa must acquire a student visa to attend university in Japan.

- Admitted students' visa applications will be processed by TIU's International Exchange Office and by administrative scrivener offices in Japan with whom TIU partners.
- To obtain a student visa while residing outside of Japan, students must first apply for a Certificate of Eligibility (COE) by submitting necessary documents to TIU by the deadline.
- TIU will submit the COE application documents to the Japanese Immigration Services Agency on behalf of admitted students if all required documents are submitted to TIU by the deadlines and their payments are confirmed by TIU.
- Only the Japanese government's immigration authorities can issue a COE and visa. The COE is issued by the Japanese Immigration Services Agency, and the student visa is issued by the Japanese Embassy or Consulate General. TIU cannot be held responsible if either of these are not issued.
- Applicants who previously applied for a COE or visa to enter Japan, but were rejected, must inform TIU of this fact without fail when applying for admission.

Important

Even if you have completed all enrollment procedures or have enrolled, your admission to TIU will be revoked in any of the following cases.

- We discover you provided fake documentation and/or false information.
- You receive the "Notice of not granting COE" from the Immigration Services Agency (COE non-issuance).
- You do not obtain a COE by 3 business days prior to the date of the matriculation ceremony.
- You do not obtain a visa at the Japanese Embassy or Consulate General.
- You fail to obtain a new visa (residence card) (for visa holders with a residence card who are already residing in Japan at the time of application).

If your admission to TIU is revoked;

- The enrollment fee is non-refundable.
- After enrollment, tuition and fees will also be non-refundable.

Holder of residence status in Japan

(a) Student visa holder

- If you have a gap of more than 3 months between graduation from your current school and entering TIU, you must return to your home country once and apply for your COE and visa in your country.
- If the time of entering TIU is within 3 months of graduation from your current school, you are required to visit the Immigration Services Agency and confirm whether you can keep your current student visa (Residence card) to enroll in TIU on your own. If you are asked to re-apply for a new student visa, please contact the IEO immediately.
- Regardless of the date of expiration stated on your residence card, **your student visa and permission to work part-time will expire upon course completion and leaving your current school.**

(b) Other visa holder

- If your visa expires before enrollment to TIU, you are required to visit the Immigration Services Agency and extend your visa on your own. Applications are accepted 3 months prior to the date of expiration.

Notes

- If you do not have a passport at the time of application, prepare one as soon as possible.
- Please do not purchase your flight ticket until you receive your COE.

Warning

- If you stay in Japan illegally, you will face a high risk of being arrested by authorities, which may result in deportation.

Student Visa (COE) Application Process

- STEP 1:** The first set of instructions for the COE will be sent to students' email addresses. This email may come from the IEO or one of the scrivener offices. If you have any questions about the process, please read the email first and then contact the party that is handling your COE application (either the IEO or scrivener office).
- STEP 2:** Submit all required documents to either the IEO or one of the scrivener offices as a direct reply to the email message from the party that is handling your COE application (step 1). Inaccurate information or discrepancies in the documents may result in the rejection of your COE application.
- STEP 3:** The IEO or scrivener office will apply for your COE on your behalf once TIU has confirmed your enrollment fee payment. It usually takes about 4-12 weeks for the COE to be issued. The Immigration Services Agency's official document states that it takes 2-3 months for the COE to be issued, so keep the deadline specified by TIU.
- STEP 4:** Receive your issued COE. Once your COE has been issued, we will send it to you via a traceable courier (DHL, FedEx, etc.)
- STEP 5:** Upon receiving your COE, take the COE to the Japanese embassy/consulate that has jurisdiction over your domicile in order to apply for your visa.

IMPORTANT NOTES

- **Refund Policy**

If a successful applicant decides not to enroll in TIU after paying all stipulated fees, they are eligible to have the tuition, operations fee, and Alumni Association fee refunded back to them. However, the enrollment fee is non-refundable.
