

ENROLLMENT PROCEDURES

For Transfer students / September 2025

In order to enroll at the university, all relevant **fees must be paid**, and all required documents must be completed and returned by the following dates. If these procedures are not completed by the designated dates, permission to enroll at the university will be withdrawn.

My TIU Page

The enrollment procedure will be mainly on **My TIU Page**. Admitted students must check their My TIU Page constantly. The important notices, documents and messages will be provided on their own My TIU Page. It is each student's responsibility to read the information provided.

The screenshot shows the My TIU Page interface. On the left, there are navigation links: Application Instructions, Your Application, Application number, Examination result announcement, Enrollment procedures (highlighted with a red box and a circled 1), and Enrollment Instructions. The Enrollment procedures link points to a 'Payment Status' section which shows 'Enrollment Fee: Completed' and 'Tuition and Fees: Completed'. A note states: 'Note: usually takes a few business days to confirm payment.' (highlighted with a red box and a circled 2). The main area displays a 'Notifications' list with dates and links. A red box highlights the list, with a circled 3 pointing to it. The notifications include: Jun 12, 2019: **Important Dates**, Apr 26, 2019: [IEO] 4/27-5/5 Office will be closed, Mar 25, 2019: [IEO] COE/Visa Information, Feb 20, 2019: Important Notice, and Feb 19, 2019: URGENT: ID photo for COE application. On the right, there are three red callout boxes: ① Click here to go to Enrollment procedures page. (pointing to the Enrollment procedures link), ② Confirm your payment status here. (pointing to the Payment Status section), and ③ Important notices are shown here. (pointing to the Notifications list).

IMPORTANT DATES

Due dates for submitting documents and payments differ depending on which date you were admitted and your country of origin.

Advance Payment of Fees

(Students from **Bangladesh, Myanmar, Nepal, Uzbekistan, Sri Lanka and Pakistan**)

Students of nationalities mentioned above enrolling to TIU are required to pay the full annual amount of tuition and fees for the entire first year of studies before applying for a Certificate of Eligibility. From the second year onwards, these students will be able to pay their tuition and fees on a semester basis. This rule is to provide assurance to the Japanese Immigration Bureau as well as TIU that the student has sufficient financial resources to study abroad at our university.

Please be reminded that only the immigration Bureau has the authority to grant your COE.

Immigration Documents (International students only)

Please read the VISA (COE) Information carefully and wait for an email from the outsourced company or the IEO. Please submit all the required documents to the outsourced company or the IEO as a reply to their or our message. Please keep the deadline.

【Note】

- If you have been denied a visa (COE) to enter Japan before, you must inform the IEO at etrack-student@tiu.ac.jp. Additional documents may be required for those who have been denied a visa in the past.
- If you do not have a valid passport, please apply for a new passport urgently and send a copy of the passport to the E-Track Admissions Center and the outsourced company right after the passport is issued.
- For Uzbek students: There are currently two types of passports in Uzbekistan, Green passport (old-styled passport) and Burgundy-colored passport (New international passport). If you have not sent a copy of your new international passport to the E-Track Admissions Center and the outsourced company, please send it. Please apply for COE and Visa with a new international passport.
- If you used a study abroad agent/TIU Overseas office for your admissions, you may have to submit your COE application documents to them. Please contact the agent/TIU overseas office to confirm where you should send your COE application documents.

Scholarships (International students only)

There are scholarships offered by public and private organizations outside of the university. Please be advised that most scholarships are competitive and require applicants to have a certain level of Japanese language skill. The International Exchange Office will inform all E-Track students as soon as each scholarship's application period starts.

Bring Your Own Device (BYOD) Requirements

All new E-Track students must obtain their own laptop computers before enrollment in order to attend classes with their own device. For details of the recommended laptop specifications, please click [here](#). Please prepare a laptop with the particular specifications before your enrollment. However, if you already have one that meets these specifications, there is no need to purchase a new device.

Course location for students in their second semester or above

All E-Track courses for students in their 2nd semester or above, including 2nd and 3rd year transfer students, are held at Ikebukuro Campus. When looking for your housing, please consider the commute time to Ikebukuro Campus.

Credit Accreditation of Language Proficiency (JLPT N1 and N2)

For students who possess N1 and/or N2 level of the Japanese Language Proficiency Test (日本語能力試験 (JLPT)), credits will be granted. For details of the requirements and procedure, please click [here](#).
