

Admissions Policy

TIU, in alignment with its founding spirit, educational philosophy, and educational objectives, seeks students with the following qualities to join our university:

- 1)** Have the motivation and ability to proactively pursue studies and campus activities at TIU.
- 2)** Have acquired fundamental knowledge and an essential attitude toward learning through their studies and activities in secondary school.
※ The “fundamental knowledge” and “essential attitude” in (2) will be the basis from which students will adopt TIU’s five basic principles: (a) knowledge and understanding; (b) critical thinking; (c) interest and motivation; (d) attitude and discipline; and (e) skills and expression.

TIU appropriately implements various entrance examination types to welcome students with the qualities sought by each department / faculty.

Business Economics (BE) and Digital Business and Innovation (DBI) Majors

The School of Economics expects all students to uphold the university’s founding spirit and educational philosophy, agree with the terms of the education policy, and aim to uphold the following qualities:

1. A positive approach towards academia and activities on campus.
2. Utilizing what was learned during one’s high school years in order to form the basics necessary for studying at university.
3. A positive attitude towards utilizing basic, but broad, knowledge, as well as logical, analytical, and strategic thinking when going about one’s activities in the globalized world.
4. An eagerness to develop ethical, logical and strategic thought processes and learn how to apply them to business settings.

International Relations (IR) Major

The School of International Relations expects all students to uphold the university’s founding spirit and educational philosophy, agree with the terms of the education policy, and aim to uphold the following qualities:

1. A positive attitude towards, and active involvement in academia and activities on campus.
2. Utilizing what was learned during one’s high school years in order to form the basics necessary for studying at university.
3. Making a continuous effort to understand the diverseness of international society, and to have a pragmatic attitude towards problem solving.
